Previous:

To whom it may concern,

I, Georgia Valatiadis, have worked alongside Justin Graham as a Visual Arts teacher at Granville South High School in 2006. During this time, I have observed many of Mr Graham's lessons and found him to be a most competent and enthusiastic teacher.

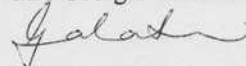

Mr Graham is always punctual to work and has an excellent attendance record. He displays a professional attitude towards the teaching staff and has developed a positive rapport with his students. He has demonstrated sound knowledge of subject content and has exercised this in his teaching programs and various units of work.

His lessons are always interesting and well executed. He incorporates a wide range of teaching strategies and resources to meet the needs of students. Mr Graham demonstrates safe and effective classroom management practice. He is able to engage and organise students in a variety of well structured tasks to stimulate student learning.

Mr Graham possesses excellent practical skills in his subject area is continually updating them via professional courses. He is extremely competent with technological software and has incorporated this into many of his teaching programs.

Mr Graham displays a calm and courteous disposition, and has had a most successful year at Granville South High School. I would not hesitate to recommend him for any teaching position both here in Australia or overseas.

Yours Sincerely  
Mrs Georgia Valatiadis

Visual Arts Teacher  
Granville South High School
